**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rely on a local telecommunications provider for access to affordable and reliable internet and phone service. Local providers like the one I use are critical to providing competition and better customer experience for all consumers like me. Without these local providers, I would be stuck with higher prices and a lower level of customer service from larger companies.
